Badge Holder with Steel

The metal yo-yo is a practical and stylish tool used to hang your ID card or access card.

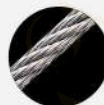

Only one color available

The yo-yo has a retractable reel that allows the card to be easily extended when needed for display or swiped through an e-reader, then automatically returns to its original position.

The yo-yo is attached to a sturdy, clear plastic strap with a metal push button for secure attachment. It is typically attached to a breast pocket or collar.

Yo-Yo Holder ID

Available colors

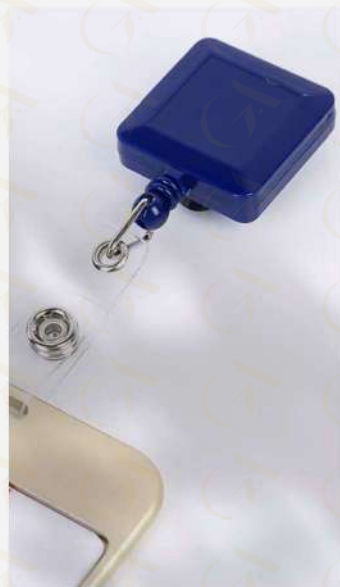

This type of yo-yo is widely used in businesses, exhibitions, or places where ID cards are frequently required, as it provides easy and quick access to the card while maintaining a professional appearance.

The retraction mechanism works through a flexible internal thread that allows the card to be extended forward (for scanning or reading) and then automatically returned to its place.

Opaque Square Card Hanger

A square yo-yo used to hold an identification card or badge, it is a common tool in professional and organizational settings.

Available colors 

Uses :

- Businesses and official institutions
- Conferences and exhibitions
- Hospitals or schools
- Places that frequently require ID

The reel adds practical convenience to the user, as the card can be pulled out for display or swiped through access devices without removing it.

Metal Brooch

A stylish metal brooch that can be engraved to personalize it with a name or logo.

It combines luxury and durability. Its sophisticated design makes it the perfect addition to a gift box or a lasting keepsake.

Car sunshade

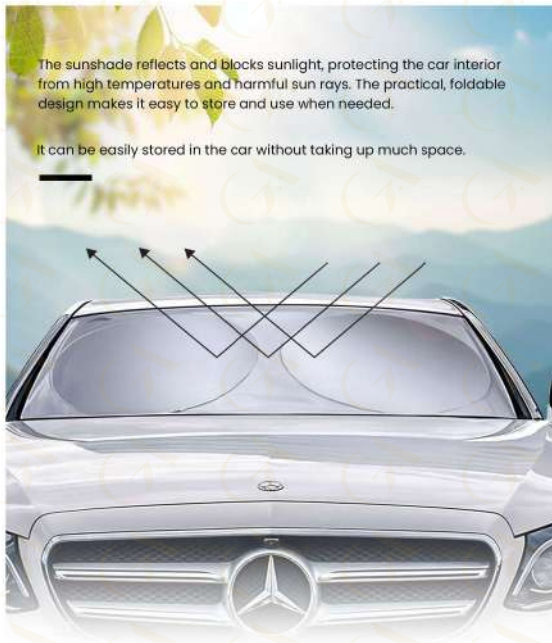

This protector is ideal for protecting your seats, dashboard, and all interior parts from damage caused by constant sun exposure, and it also helps reduce fuel consumption when operating your air conditioning.

Available colors : 

The sunshade reflects and blocks sunlight, protecting the car interior from high temperatures and harmful sun rays. The practical, foldable design makes it easy to store and use when needed.

It can be easily stored in the car without taking up much space.
